To compute the sewer rate for facilities in a single commercial establishment which consists of multiple uses, such as a shopping center or an office building, each unit, tenant, or use shall be calculated by using the above schedule as though each unit, tenant, or use were a separate property or user with a separate connection to the sewer system. In such cases, the owner shall be liable for the full sewer charges. Charges shall be due and payable on all units whether vacant or occupied. If the unit is vacant, one-half of the EDUs assigned to the space shall be used for the calculation.
