The Boil Water Notice issued on December 2, 2024 for the Cooperstown Water System has been lifted effective today, December 8, 2024.

Aqua Pennsylvania has lifted the boil water advisory issued on December 2, 2024. A boil water advisory was issued for customers in the Cooperstown Water Company due to a loss of positive pressure in the distribution system from a power failure. Two consecutive days of water samples have been collected from the distribution system and tested for total coliform bacteria. The results for both sets of testing were received on December 8, 2024 and showed the absence of bacteria, allowing Aqua to lift the boil advisory.

It is no longer necessary to use boiled water or bottled water for drinking, making ice, brushing teeth, washing dishes and food preparation.

Aqua is committed to providing quality water and service to its customers. We apologize for the inconvenience and thank you for your patience. Although this matter has been resolved, if you have any questions or concerns, please contact Aqua's Customer Service at 877.987.2782.
