BOIL WATER NOTICE LIFTED

HIERVAN EL AGUA ANTES DE USARLA.

ESTE INFORME CONTIENE INFORMACION MUY IMPORTANTE SOBRE SU AGUA DE BEBER.
TRADUZCALO O HABLE CON ALGUIEN QUE LO ENTIENDA BIEN.

The Boil Water Notice issued on September 8, 2025 for the Venango Water System has been lifted effective today, September 10, 2025.

Aqua Pennsylvania has lifted the boil water advisory issued on September 8, 2025. A boil water advisory was issued due to the presence of coliform bacteria in initial samples collected from bulk water trucks that supplement water supply in the system. Two consecutive days of water samples were collected from the distribution system and tested for total coliform bacteria. The results for both sets of testing were received on September 10, 2025 and showed the absence of bacteria, allowing Aqua to lift the boil advisory.

It is no longer necessary to use boiled water or bottled water for drinking, making ice, brushing teeth, washing dishes and food preparation.

Aqua is committed to providing quality water and service to its customers. We apologize for the inconvenience and thank you for your patience. Although this matter has been resolved, if you have any questions or concerns, please contact Aqua's Customer Service at 877.987.2782.

Please share this information with all the other people who drink this water, especially those who may not have received this notice directly (for example, people in apartments, nursing homes, schools, and businesses). You can do this by posting this notice in a public place or distributing copies by hand or mail.
